

AUGENTIC - Driven by Technology

AUGENTIC GmbH having its headquarters in Munich, Germany is a globally operating company in the business of digital identities, the related identity management and digital payment solutions.

Our projects range from the supply of components all the way through to turnkey solution projects. Using AUGENTIC's competencies and talents our customers - governments and central banks worldwide - have a responsible, trustworthy and competent partner for the secure handling of the identity of their citizens and the development of digital payment systems.

Founded by a team of well-known industry experts, AUGENTIC GmbH combines innovative power with many years of expertise enabling customers to benefit from tailor made solutions of exceptional and lasting quality.

Our talents are a key asset to the company. Therefore, we put great efforts in individual development plans. So, are you interested in shaping the future and make this world a safer place together with us? You can expect exciting, varied tasks with the opportunity to actively shape the further development of the company.

BE AUGENTIC!
